1. Subject will be assigned to [ ] departing Headquarters about 30 April 1957. He graduated from the Army Intensive [ ] Language School and from the Military Intelligence Service Language School during the war and had at one time a considerable proficiency in [ ]. Since he has not used the language in recent years, however, refresher training seems indicated. Could you make arrangements for [ ] to work with [ ] language tapes for about one hour a day from 15 October 1956 until his departure.
